2 x Lectureship/Senior Lectureship/Readership Posts in Transport

Centre for Transport Studies
Department of Civil and Environmental Engineering
Imperial College London

The Department of Civil and Environmental Engineering at Imperial College London invites applications from outstanding candidates for two academic posts at Lecturer/Senior Lecturer/Readership level, based in the Centre for Transport Studies.

These two posts are in the areas of:

- * Transport Economics and Policy
- * Transport and Environmental Planning

The Centre for Transport Studies (www.imperial.ac.uk/cts) is one of the largest and most successful transport groups in Europe, with a wide ranging and high quality programme of research and teaching activities, and is the focus for transport research throughout the College. It is based in the Department of Civil and Environmental Engineering, which in the recent UK Research Assessment Exercise, was one of six departments within Imperial College to achieve the highest top-rated status (4*); 95% of its staff being judged as world-leading or internationally excellent.

Applications are invited from individuals with a strong academic record (including a relevant PhD or equivalent) in any area of (a) transport economics and policy or (b) transport and environmental planning. Successful candidates will be expected to contribute to undergraduate and postgraduate teaching and to play a leading role in developing the Centre's research in their respective specialism, building on and extending the Centre's current research activities.

Informal enquiries may be made to Professor John Polak, Head of the Centre for Transport Studies (Email: j.polak@imperial.ac.uk; Tel: + 44 (0) 20 7594 6100).

The preferred method of application is online. Further particulars and an application form are available via www3.imperial.ac.uk/employment (please select "Job Search" then enter the job title or the vacancy reference number, into "Keywords"). The reference number for the post in Transport Economics and Policy is EN20090111 SL and the reference number for the post in Transport and Environmental Planning is EN20090112 SL. Please complete and upload an application form as directed.

Alternatively, if you are unable to apply online, further particulars and application forms may also be obtained from Mr Colin Kerr, Department Operations Manager, Department of Civil and Environmental Engineering, Skempton Building, Imperial College London, South Kensington Campus, London SW7 2AZ (Email: c.j.kerr@imperial.ac.uk).

Closing date for applications: 22 May 2009.

Imperial College London is committed to equality and valuing diversity. We are also an Athena Silver SWAN Award winner and a Stonewall Diversity Champion.
